LPM2020 - Sponsorship and Advertisement Opportunities

Welcome to join us at LPM2020!

The International Symposium on Laser Precision Microfabrication (LPM) will be held in Dresden, Germany and hosted by the German Materials Society (DGM e.V.) and Prof. Dr.-Ing. Andrés Fabián Lasagni – Head of the Center for Advanced Micro-Photonics (CAMP) at Fraunhofer-Institut für Werkstoff- und Strahltechnik IWS. The date for the LPM2020 is the 23.-26. June 2020.

LPM2020 is planned as a four-day event with Oral and Poster Sessions, Plenary Lectures, an exhibition and conference dinner. The aim of this congress is to provide a forum for discussion of fundamental aspects of laser-matter interaction, the state-of-the-art of laser materials processing, and topics for the next generation with fundamental scientists, end users and laser manufactures. We expect that LPM2020 would play an important role not only for understanding fundamental knowledge of laser materials processing but also forecasting future technologies to be developed and the future laser market.

We would like to encourage you to become LPM2020 sponsor. We hope that the sponsoring will strongly assist you to extend your world-wide business opportunities. For the details, please refer to the following pages. Thank you for your attention in advance.
